American Modern II Bedroom

COUNTRY VIEW WOODWORKING LTD.

WWW.CVWLTD.COM

The American Modern Collection is a collection by Country View Woodworking. The collection pairs a timeless American design , with quality construction and beautiful finishes. Today's consumer is looking for fashion, quality, value and impeccable service. That is exactly what CVW has to offer. The American Modern Collection stands as proof that American manufacturers can compete in a global economy. A collection with broad appeal that will stand the test of time.

The American Modern Collection gives consumers a choice of nine different beds that range from upholstered to all wood. There are six styles of cases ranging from contemporary to transitional, available with three different legs and bases. Each style has a variety of pieces from which to choose, including nightstands, bedside chests, dressers and tall chests.

The entire collection crafted in Brown Maple is manufactured in Ohio by craftsman using only the highest quality materials. There are over 200 pieces in the line all of which are made to order with many finish options.

About CVW: CVW is a company whose quality construction, impeccable finishing, delivery, service and Design are second to none. It's a sturdy family-owned company. Roy & Kathy Miller and their sons take great pride in what they do. CVW employs more than 40 Amish craftsman in their factory located in the heart of Ohio's Amish Country. Their operation also sources pieces - parts from a huge network of resources in Holmes County, OH.
